Photographer's Favorites

Kelway's Majestic

This cherry pink peony has a lovely surprise inside: long narrow petals whose color differ from the rest of the cherry pink flower. These Inner petals are sure to pop out in any photo.

Edulis Superba

Blending of pinks and whites photograph especially well on this double pink flower.

Mr. Thim

With a golden yellow center, this peony is sure to catch your eye. In fact, its pink petals reflect sunlight and appear as if they are glowing

Bride's Dream

This all white peony speaks for itself, and glows in the early morning light.

Virginia Mary

This a classic peony photogrpahs particularly well. Its luscious pink petals speak for themselves.

Yan Zhi Dian Yu

Deep red and light white come together to form this truly magnificent peony.

Bo Peep

With soft pink petals on the outside and a firey explosion of color inside, this peony is like no other.

Moses Hull

Pale flesh-pink and creamy white petals work together to make this a stand out peony

Do Tell

This peony creates a bold contrast with its orchid pink outer petals and its thin reddish pink inner petals. It has a light citrus fragrance.

Bowl of Beauty

Once again, color is everything. Pale pink, with upright creamy white petaloids make this peony a lovely sight.

Dragon's Nest

Bright red guard petals surround a lovely yellow center on this Japanese style flower.

Crusader

This scarlet semi-double has three rows of petals encircling a beautiful golden center of stamens, appearing like a glowing crown

Battle Flag

This unique peony is known for its beauty. With one deep red throughout, its color is overpowering and is sure to stand out in any photo.

Gay Paree

This pretty contrast of pink and white, with guard petals of deep cerise pink, surround a plush tuft of white to cream petaloids that carry some rosey tints of pink.
