

Say Goodbye!

Come back and visit your plant friend in the future, or find one closer to home!

Fourth Mission: Weather patrol

Observe how the weather, and your plant, have changed since your first day together. Write a “see you later” note to your plant as it begins its winter journey

PLANT PALS Detective Mission Packet

Visit your new plant friend once a week and watch how it changes!

First Mission: Plant Portrait

Draw a quick picture of your plant today. Use lines, shadows, and color!

Second Mission: Search with your senses

Close your eyes for 5 minutes and use your senses to hear what's going on around your plant. Make a list or draw what you heard

Third Mission: Who's next door?

Sit for 5 minutes with your plant and observe the plants and animals that live around it. Write it down or sketch it out
