

February 2021

Every Day Outdoors

Mark off each activity as you complete them!

Notice nests high in the trees

Hunt for green - how many shades can you find?

Shovel the snow

Go for a roll - use some wheels

Put out seeds for the birds

Build a snow sculpture

Look for plants with needles - how many kinds can you find?

Go for a walk by moonlight

Roll down a hill

How many bird calls do you notice today?

WILD
Be creative and share your activity

Make prints in the snow with your body

Build something in the snow

WILD
Get outdoors & be creative!

Make bark rubbings

Make a heart in the snow

Follow animal tracks and see where they go

Roll a giant snow boulder

Take a walk in a new place

Find a new walking stick

Take a tree scavenger hunt - wide, tall, skinny, small

Count the stars

Go sliding - use a sled, cardboard...

Crunch some ice on a trail

Greet the morning sun

Find seeds

Look for animal tracks

Notice different types of ice

Fill a jar with plant bits

Look for animal tracks
